# Ethical Representation: Sincerity Over Sales

A man and a woman are sitting at a round table outdoors, possibly at a cafe or restaurant. They are both smiling and looking at each other, engaged in a conversation. The woman is on the left, wearing a light-colored top, and the man is on the right, wearing a light-colored shirt. The background is softly blurred, showing other people and greenery, suggesting a pleasant outdoor setting.

## The Helper Mindset

The best marketers solve problems; they don't sell. Listen for their financial or security fears, then present Ensolanka as an advisory solution.

## No Hallucinations

Do not promise things outside our packages. Be explicitly honest (e.g., the Digital Nomad Visa is strictly for foreign income, not local work permits).

## Strict Anti-Spam Policy

Do not post links in irrelevant comment sections or send unsolicited bulk messages. Protect the dignity of the motherland and the brand.
